I COULD NOT HAVE ASKED FOR BETTER RESULTS...

It is impossible to fully express my experience in words; however, I will always be reminded of Dr. Schwartz and his staff with each and every smile. Nearly 10 years ago, I suffered a basketball-related injury that caused trauma to my front teeth. As a result, I was reminded of this injury daily and I wanted to put that unfortunate experience behind me and restore my confidence and smile. I scheduled a consultation with Dr. Schwartz and found him to be extremely knowledgeable, professional, and sensitive to my concerns. I felt immediately at ease as Dr. Schwartz discussed my treatment options and laid out a plan.

At Family, Implant & Cosmetic Dentistry, I did not feel like another customer, but more like a part of the family. Their warm smiles, professionalism, and sincere concern to provide me with the best results did not go without notice and I am forever grateful for their efforts, service, and work. Every encounter – from consultation to post-procedure – demonstrated that Dr. Schwartz and his staff had one mission: to restore my confidence while providing exceptional results matched with unprecedented service. My treatment included veneer, crown, crown lengthening and Zoom! Teeth Whitening. I could not have asked for better results. I am 100% satisfied and I find myself smiling a lot more, without reservation. Without a doubt, I highly recommend Family, Implant & Cosmetic Dentistry to my family and friends.
