Consent for Use and Disclosure of Health Information

I understand that I have certain rights to privacy regarding my protected health information. These rights are given to me under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). I understand that by signing this consent I authorize you to use and disclose my protected health information to carry out:

- Treatment (including direct or indirect treatment by other healthcare providers involved in my treatment);
- Obtaining payment from third party payers (e.g., my insurance company);
- The day-to-day healthcare operations of your practice.

I have been informed of, and given the right to review and secure, a copy of your *Notice of Privacy Practice*, which contains a more complete description of the uses and disclosures of my protected health information, and my rights under HIPAA. I understand that you reserve the right to change the terms of this notice from time to time and that I may contact you at any time to obtain the most current copy of this notice.

I understand that I have the right to request restrictions on how my protected health information is used and disclosed to carry out treatment, payment, and health care operations, but that you are not required to agree to these requested restrictions. However, if you do agree, you are then bound to comply with this restriction.

I understand that I may revoke this consent, in writing, at any time. However, any use or disclosure that occurred prior to the date I revoked this consent is not affected.

Concerning Your Dental Benefits:

Dental insurance is a contract between you and the insurance company. Despite our efforts, there is no guarantee of benefits or reimbursement. As a courtesy, we will bill your insurance company on your behalf. If your insurance company has not made payment within 30 days, the outstanding balance becomes your responsibility.

Insurance co-payment and/or a deductible payment is the patient's responsibility. We verify insurance benefits as a courtesy to you. This is not a guarantee of payment from your insurance company. After your claim is processed, it is possible your balance will be different than our estimate.

If we are in-network with your insurance and your insurance does not cover the estimated portion, the patient is ultimately responsible for the full contracted fee. If we are out of network, the patient will be responsible for the full office fee minus any courtesy discounts offered.

Concerning Your Appointments:

We try to confirm appointments with a telephone call in advance as a reminder. Please return these calls or respond via text and/or email to hold your appointment day and time. If an appointment is cancelled with less than 24 hours' notice, a broken appointment fee of \$50 will be charged to you for cancelling a visit scheduled with your dental hygienist. If the appointment was scheduled with a dentist the broken appointment fee will be \$100. If the appointment was scheduled with the anesthesiologist, or another specialist, the broken appointment fee will be \$400.

Other Billing Information

If you receive a bill in error, call our office to clarify your obligation. Returned checks or "insufficient funds" will be charged \$35 per check.

Discounts:

We reserve the right to offer discounts for full treatment plan acceptance. If you decide to stop treatment before completion, you will be charged the full office fee for all services completed by the last appointment date. All discounts will be null.

Guaranty of Payment:

By signing below, I accept personal responsibility for the payment in full of my account.
